

# MASTER OF PUBLIC ADMINISTRATION

The Master of Public Administration (MPA) in the Biden School of Public Policy & Administration at the University of Delaware is a professional degree program that trains diverse, motivated students to lead and manage public and not-for-profit organizations.

Our distinctive MPA program utilizes the 'Delaware Model' to integrate academic excellence with professional experience for aspiring and practicing public and not-for-profit managers. Through coursework and experiential learning, the degree develops the leadership, analytical, and problem-solving skills that are critical to competent, values-based decision-making in diverse, changing, and multi-sectored environments.

Our MPA program is fully accredited by The Network of Schools of Public Affairs and Administration (NASPAA) and subscribes to NASPAA's Member Code of Good Practice.
